teach or suggest a handwriting message board that is integrally formed as part of a vehicle structure and a message board that is at least partially contained within a vehicle structure. Therefore, claims 5 and 12 are also, novel, nonobvious, and are in a condition for allowance.

Applicants want to remind the Examiner that some of the best inventions are also some of the most simplistic and although an invention may be simple, simplicity does not by any means imply lack of novelty.

In light of the amendments and remarks, Applicants submit that all of the objections and rejections are now overcome. The Applicants have added no new matter to the application by these amendments. The application is now in condition for allowance and expeditious notice thereof is earnestly solicited. Should the Examiner have any questions or comments, the Examiner is respectfully requested to call the undersigned attorney.

The Commissioner is hereby authorized to charge any additional fees or credit any overpayment to Deposit Account 50-0476.

Respectfully submitted,

ARTZ & ARTZ P.C.
